-I agree I am solely responsible for the safety and security of City equipment on the property whether in or out of a utility easement. -I agree that the ground shall not be disturbed until all locates are complete. I and / or my contractor shall not use mechanized equipment within two feet of any located utility. My failure to follow procedure may result in a \$500 fine, plus any cost to repair the facility. (Per Seward City Code 14.15.420 (b))

By signing this application the applicant certifies they have read and understand the dig permit and utility location process, and that the information the applicant has provided is accurate and true to the best of their knowledge. All provisions, laws and ordinances governing this type of work will be complied with whether specified herein or not.
