SUBJECT: 2020 SEWARD HARBOR PASSENGER FEE

Dear Business Owner:

It is time to register if you are planning on doing business in 2020. Your passenger fee account number will be listed on your letter when you get your passenger fee sticker. Please use this number when filing your monthly reports. Do not use your boat account number.

Passenger fees are pursuant to City of Seward Resolution No. 2005-080. The fee applies to all boats carrying passengers for compensation who are operating from any City of Seward property. This includes, but is not limited to, charter fishing operations, tour operations, water taxis, and guide services. The \$3.50 fee is per passenger carried, regardless of who pays for the charter. Passengers must pay the full \$3.50 fee whether they embark on a one-way or round trip excursion.

Please complete a vessel registration form for each vessel with current insurance prior to commencing your boat operations for the year and return it to the Harbor Department.

Once the forms have been approved, the harbor will notify the City Clerk's office that you are compliant and they will issue a city business license and the harbor will issue a passenger sticker for your vessel(s).

Starting with the first day of business listed, the 2020 passenger transit fee vessel report form must be completed, signed, and returned with payment to the Seward Harbor by the **last day of each month** for passenger activity for the prior month (ex. the report for May 2020 is due by June 30th). You must file a report for each month, for each vessel registered, even if it is a zero filing. Please use your PAX account number on all forms and not your boat account number. The forms may be placed in the drop box located to the right of the main entrance of the Harbor office, mailed, or brought to our office. If we do not receive the form and payment by the due date, there will be a 10% penalty, capped at \$500, as well as a \$25 missed filing fee for each vessel. The Harbor uses the first day of business listed on the registration form to determine filing requirements.

The insurance requirement for 2020 is the same as previous years. You must have one million dollars of coverage with the City named as additional insured and a waiver of subrogation to operate a business such as a charter, tour, commercial, etc.

Thank you for your cooperation. If you have any questions, please call (907) 224-3138.

Sincerely,

Harbor Staff

2020 PASSENGER TRANSIT FEE VESSEL REPORT FORM INSTRUCTIONS

All reports must be turned in by the last day of the following month
PLEASE use your PAX Account number on your filing form

1. Document the number of passengers per vessel for each day of the month that you are filing for.
2. Total the number of passengers and multiply it by \$3.50, this is the total passenger fees due for this filing period.
3. If you had no passenger fees in the month, you must still file a zero report for each vessel registered by the last day of the following month.
4. MISSED FILING FEE: If the return is late or not received, there will be a \$25 missing filing fee.
5. 10% PENALTY: If the return is late, a penalty of 10% of the month's passenger fees collected will be assessed. Multiply the passenger fees due by 0.10; this will be entered on the 10% Penalty line.
6. The sum of the passenger fees, missed filing fee, and penalty total should be entered in the Total Due box.
7. If the return is more than one month late, interest on the passenger fees and late fees will be billed at the maximum rate allowed by law, pursuant to City of Seward Resolution 96-076.
8. At the end of your season you can pre-file zero sales during your off season. Please put the first month you will not have charters in the first section and the first month of operation for the next season in the second section.

Any company or individual that collects passenger fees on behalf of another vessel must remit those fees to the boat owner. The Harbor will not take passenger fees from anyone but the business owner/agent. **The boat owner is responsible for reporting and remitting all passenger fees.**

A company with more than one vessel may file a multi-vessel report that provides the same level of detail as the individual vessel report form. You must include each vessel you register on this report, even if that vessel is not active in a given month. Additional copies of these forms are available at <https://www.cityofseward.us/departments/harbor/documents> or via an e-mail request to harbormaster@cityofseward.net.

A vessel that fails to file passenger fees or is not current on passenger fees will result in denial of a City Business License and non-renewal of waitlist status and/or slip renewal.

An incomplete or improperly prepared form is the same as not filing a return which will result in missed filing fees, penalties and interest. If you have any questions, call us at (907) 224-3138.
